POSTAL RATE AND FEE CHANGES, 2000

Docket No. R2000-1

**E-STAMP'S OBJECTION TO USPS INTERROGATORY
TO WITNESS JONES (USPS/E-STAMP-T-1-1), FILED JUNE 8, 2000,
AND SERVED JUNE 14, 2000**

USPS/E-Stamp-T-1-1 appears to ask for detailed confidential and proprietary demographic information about E-Stamp customers. Depending upon the extent of the documentation that may be contemplated by the Postal Service, the revelation of such information could compromise E-Stamp's competitive position. Moreover, such sensitive market and financial information as might be contemplated cannot be disclosed in such a haphazard manner, given the fact that E-Stamp is a publicly traded company, and the untimely release of sensitive information could impact the markets.

Respectfully submitted,
